Youth-centered, culturally- initiated, and family-supported

Get to know the Tulalip Youth Services Activity Staff

Article and photos by Micheal Rios

It is a strongly held belief in Tulalip that every child has a need and right to participate in engaging activities that support achievement and promote social, emotional, and physical

development beyond the regular school day. For most of these activities to exist and be available to our children, there needs to be the presence of responsible and caring adults who have the youth's best interest at heart; individuals who are

Tulalip Tribes Vision

We gathered at Tulalip are one people.
We govern ourselves.
We will arrive at a time when each and every person has become most capable.
Together we create a healthy and culturally vibrant community

Tulalip Tribes Mission

We make available training, teaching and advice, both spiritual and practical.

Tulalip Tribes Values

1. We respect the community of our elders past and present, and pay attention to their good words.
2. We uphold and follow the teachings that come from our ancestors.
3. It is valued work to uphold and serve our people.
4. We work hard and always do our best.
5. We show respect to every individual.
6. We strengthen our people so that they may walk a good walk.
7. We do not gossip, we speak the truth.

Tulalip Tribes 1-800-869-8287

The Tulalip Tribes are successors in interest to the Snohomish, Snoqualmie and Skykomish Tribe and other tribes and bands signatory to the Treaty of Point Elliot, January 22, 1855

Youth Services from front page

dedicated to supervising and creating a safe and enriching environment for the youth. Those individuals are found within Tulalip’s own Youth Services activity staff.

For many years, the Youth Services activity staff have provided a safe place for students to be during the critical hours after school and on weekends, at no cost to families. Historically, the program has provided supervision of organized games and activities in a recreational setting for those youth who drop-in to the Tulalip Teen Center. Youth sign-in upon their arrival and usually stay as long as they wish, or until the announcement is made for last-call for a van ride home.

The goals of the activity staff are to provide supervised enrichment, fitness, and other sport activities in a safe neighborhood environment. They emphasize physical fitness that develops basic movement skills, strong and healthy bodies, teamwork, sportsmanship, cooperative social skills, and activities that reinforce Tulalip values. Additionally, the Youth Services program promotes

good health and positive self-esteem, while placing high importance on teaching youth to make informed decisions on how to live a healthy and proactive lifestyle.

The Youth Services mission is: As our ancestors before us, we unite as one to serve all youth by utilizing our spiritual, physical, cultural, and educational programs.

Teri Nelson, Executive Director of Youth Services.

Email: tnelson@tulaliptribes-nsn.gov Phone: 360-716-4920

“My work with Youth Services is one of my life’s greatest passions because of my love the kids. There is no other feeling quite like helping the youth. Those you dedicate themselves to working with the youth to achieve their goals also helps further our youths’ natural persistence, determination, discipline, dedication, resiliency, work ethic, heart, leadership skills, and respect for others.

We serve children birth to 18 from the Betty J. Taylor Early Learning Academy, K-12, tutoring, recreational and culture programs. We offer young people year-round activities, both indoors and outdoors, to build self-confidence and leadership skills. Our mission has been to inspire and challenge youth with physical, educational, and mental activities, as well social and emotional development that foster life-long respect for self, others, and the environment.”

Josh Fryberg, Interim Youth Services Activities Coordinator

Email: [joshfryberg@tulaliptribes-](mailto:joshfryberg@tulaliptribes-nsn.gov)

nsn.gov Phone: 360-926-4718

“Hello, my name is Josh Fryberg. My wife, Danielle Fryberg, and I have six wonderful children together. My mother is Gina Harrison, father is Dean Fryberg Jr, grandmothers Char Harrison and Betty Henry, grandfathers Dean Fryberg Sr and Richard Madison, great grandparents Speedy Parks, Orville Harrison, and Ruth Gobin. I am related to just about everyone in the Tulalip Tribes, and also have

family from Blackfeet and Alaska Tribe.

I have been working with our youth for 12 years and worked with the Tulalip Boys and Girls Club as the teen program director, youth services activities, and youth services education advocate. My passion is working with our community and youth to provide positive programs that bring our community and families together, along with opportunities to collaborate with other tribes.

If you have any questions or concerns regarding youth services, please feel free to give me a call or send me an email."

Lonnie Enick, Youth Activity Specialist

Email: lenick@tulaliptribes-nsn.gov
Phone 425-903-1498

"I want to start with my favorite quote, 'Always finish what you start!' I believe in this quote and how much it would help today's youth. Why? Because I believe today's youth are looking for support. This is the reason I always wanted to work for Youth Services and be able to apply my knowledge and experience so I can help provide that support to the youth.

We have very talented and smart kids out here in Tulalip. I'm here to help them find themselves and be able to halter those talents and support them to go on to be successful adults. For me, growing up as an athlete, one thing I was always looking for was support, so I want to be the person that today's youth can trust and come to for any advice or support they may need. That's what I want to accomplish for our Youth Services department."

Ron Iukes, At Risk Youth Advocate

Email: riukes@tulaliptribes-nsn.gov
Phone: 360-716-4923

"I've been with Youth Services for 18 months. My goal is to reach all at risk youth and help them find the resources and services we offer to be on a good path."

Lori Parks, Prevention Coordinator

Email: lparks@tulaliptribes-nsn.gov
Phone: 425-293-5088

"I have been with family and youth services for 24 years. My hope for Youth Services and our community is to have a community where all our people are valued and cared for."

Nessie Hatch-Anderson, At Risk Advocate

Email: dhatch-anderson@tulaliptribes-nsn.gov
Phone: 425-754-4478

Taylor Henry, Cultural Specialist

Email: thenry@tulaliptribes-nsn.gov
Phone: 360-716-4909

"I have been involved with Youth Services since 1981. I work with the youth to help prepare them for adulthood. I love helping our youth to find themselves, to be a better person within themselves. I want to be that person that any youth and grandparent/parent can call for help with education, drug court, Denny youth center, etc."

"Hello, my name is Taylor Henry. I've been working with Youth Services for two and a half years. I love working with youth because they inspire me with their free spirits. I love teaching our culture so that our ancestors will live on. I want the younger generation to know where they come from."

Rachel Steeve, Smoking Cessation Specialist

Email: rsteeve@tulaliptribes-nsn.gov
Phone: 360-716-4931

"Hello! My name is Rachel Steeve and I have been with Youth Services for three and a half years. My passion is working with youth and helping guide them down the right path and helping them with any of their tobacco questions.

My goal is to lower the underage tobacco rate in the Tulalip community through personal help and community events. My goal is to also help each and every individual youth go far in life and reach all their dreams. I believe Youth Services is one of the best ways to help do so!"

Kyle Cullum, Youth Services Activities Specialist

Email: kcullum@tulaliptribes-nsn.gov
Phone: 425-583-6752

I've been with Youth Services for two and a half years. My goals for Youth Services is to create programs that youth want to participate in; programs that will help them to achieve spiritual, education, and athletic goals while growing into responsible adults. I have seen many, many youth grow up and graduate from school and the military. I strive

to be an inspiration in any way possible for our community's youth.

Something I work to accomplish every day is creating programs (athletic and educational) that our youth advocates can help everyone succeed in. Bringing back programs that incorporate parental involvement and our tribal language, along with ones that focus on giving back to our elders, is a long term goal of mine."

Deyamonta Diaz, Recreational Activities Specialist

Email: ddiaz@tulaliptribes-nsn.gov
Phone: 425-366-9955

"Hello, my name is Deyamonta Diaz and I have been with

Youth Services for one year. I wanted to work the youth and Youth Services specifically because as a teen I think the old youth services team kept me on track. They also kept me out of a lot of trouble. This inspired me because as a teen my passion was sports and being active. If it wasn't for some of the old youth services and education staff, I wouldn't be where I am today. I wouldn't be the person I am today if it weren't for those willing to mentor me as a youth.

All of those mentors made me want to give back to a younger generation and to provide positive help for others. Some of my goals include wanted to promote and implement more teen fitness and health related activities. Also, helping with promoting student success in education, with incentive based or extracurricular activities. Overall, I'd like to see more opportunities for tribal students to be involved in something positive year-round."

Shawn Sanchez, Youth Services Activities Specialist

Email: ssanchez@tulaliptribes-nsn.gov

"Hello, my name is Shawn Sanchez. I have been with Youth Services for one year. I work with youth because they are the future. If

I can build a positive lifestyle around them, then it can help them in their future to be very successful while being humble.

A few goals I have is to start our own Native American teams to play in leagues like MYFL. As for basketball, I'd like to have our youth be able to compete on the AAU level with our own team. My big goal is to get the kids playing hardball and in the Marysville League. We have lots of kids that have baseball training, but just don't have the opportunities to play on the league level. Another goal is to get comfortable with them, so they're able to get any help/support that they need."

Moses Williams, Youth Activities Specialist

Email: moseswilliams@tulaliptribes-nsn.org Phone: 360-716-4929

"I believe the reason why we all work for Youth Services is that we want to see a positive change in our youth and in our community. I want to see our youth reach their full potential and expose them to try new things. We are all here and willing to listen and let the youth know that their voice's matter. We are here to help them and support them as much as we can."

Please Join Youth Services Every Thursday, 5:30-8pm for Creative Native Night

Come work on a traditional craft in a 4-week timeframe. These craft nights are designed to get you prepared and looking good for traditional ceremony.

Light dinner and snacks provided. For the month of February we will be doing traditional beading.

For more information, please contact Taylor Henry, 360.716.4916 or: thenry@tulaliptribes-nsn.gov or Tillie Jones, 360.716.4909

Lady Hawks finish regular season undefeated

Article/photos by Micheal Rios

The Tulalip Heritage Lady Hawks basketball team was 16-0 with three regular season games remaining on our last check-in. Let's recap those final three games.

On Tuesday, January 26, the girls traveled to Eastsound, WA to take on the Orcas Christian Saints. The Lady Hawks made quick work of the one-win Saints, winning 65-22.

Then on Friday, January 29, we welcomed the Grace Academy Eagles to our gym. It was a game the Lady Hawks had been preparing for, as the 2nd place Grace Academy

are the only team in the Northwest 1B league who have given us a competitive game all season. This game also had significant meaning for senior Adiya Jones, as there were several college scouts and coaches in attendance to watch her performance versus a competitive program.

In the 1st quarter, the Lady Hawks came out primed for another blowout. They pounded the ball in the post and were able to convert on several shots at the rim, while making it very difficult for the Eagles to get quality shots up. At the end of the quarter the Lady Hawks led 18-

8. But then the game tightened up. The Eagles went on an 8-0 to start the 2nd quarter, cutting the Lady Hawks lead to only 2 points, 18-16. Coach Bubba Fryberg called a timeout to get his team refocused on the game plan. From that point, the game turned into a typical Lady Hawks beat down.

A 15-4 run to close the 2nd quarter gave the Lady Hawks a 33-20 halftime lead. The entire 2nd half saw the Lady Hawks turn loose on offense and go to a whole new level defensively. It seemed like nearly every Grace Academy pass was either stolen or deflected, to the point

the Eagles looked completely out of sorts on offense. The Lady Hawks led 55-26 going into the 4th quarter. What was once only a 2 point game midway through the 2nd quarter turned into a 71-30 blowout victory for the 1st place Lady Hawks.

Adiya Jones, fully aware of the college scouts and coaches in the building, upped her game and had a game for the ages. She had a career high 18 steals, which is very impressive in its own right, but it gets even better. Adiya finished with her first ever quadruple-double stat line of 22 points, 11 rebounds, 11 assists,

and 18 steals. For those who follow the NBA, there have been only five players in league history to ever achieve the super rare quadruple-double, the latest one being achieved by David Robinson back in 1994.

After the blowout victory over Grace

Academy, the Lady Hawks were 18-0 and only had one final regular season game remaining. On Monday, February 1, the Lady Hawks hosted the Highland Christian Knights. This game doubled as Senior Night for senior players Kaenishia Herrera, Adiya Jones, Michelle Iukes, and Desirae

Williams. Cheered on by their families and friends, the Lady Hawks went on to win 52-23 and finish the regular season undefeated at 19-0.

Next up for the Lady Hawks is the District 1B basketball tournament, where they will be going in as the #1 overall seed.

Hawks end regular season on a winning streak

By Micheal Rios

On Tuesday, January 26, the Heritage Hawks traveled to Eastsound, WA to play the league's 1st place team, the Orcas Christian Saints. It was a big game for the Hawks, who were looking for a statement win after losing their previous two matchups vs. the Saints. It was a highly competitive game from the opening tip, but just like the last two matchups the game would slip away from Hawks down the stretch. Saints point guard and leading scorer Michael Harris continued to give the Hawks' defense matchup problems and made timely plays for his team. The Hawks would lose 58-71 and fall to 0-3 vs. the league's best team.

The Hawks bounced back in a big way when they hosted the winless Grace Academy Eagles on Friday, January 29. From the very beginning onlookers knew it was going to be a blowout, as the Hawks executed flawlessly on both ends of the court. At halftime the Hawks held their largest lead of the season, 46-2. In the 2nd half, with such a massive lead, the coaching staff pulled their starters and let the reserves get in a lengthy run. The Hawks finished the game with a 58-18 win. They were led by Josh Iukes and Samuel Fryberg in scoring, both had 13 points.

On Monday, February 1, the Hawks held their final regular season game at Francy J. Sheldon

gymnasiums when they took on Providence Classical Christian. The Hawks had beaten Providence by at least 20 points in their previous two matchups. This would be no different. Willy Enick led all scorers with 18 points, as his Hawks won easily, 66-35.

After starting the season off with a 1-5 record, the Hawks finished the season strong by winning 11 of their final 14 games. Now, with a 12-8 overall record (11-4 in their league) the Hawks have earned a top 3 seed in the upcoming District 1B tournament.

Tribal member Jordan Jira signs College Football letter of intent with Central Washington University

From the YouTube video: “Lakewood High School’s Jordan Jira signing his Letter of Intent to Central Washington University. Jordan will be the 3rd LHS Cougar on the 2016 CWU football roster, joining quarterback Justin Lane & receiver Justin Peterson. Jordan is an offensive tackle who was a 2-time 1st Team All-Conference selection. He was also 1st Team All-Area and 2nd Team All-State. Jordan is the 9th LHS football player to be moving on to play.”

A proud dad moment!

Submitted by Marlin Fryberg

Just wanted to share a Proud Dad moment as I flew to Montana to watch these two Tulalip Tribal members play at Salish Kootnai College in Montana. Tisen Fryberg is one of the 2015 All Native National College Basketball Champions. This year Bradley Fryberg joined the team and they are both representing our Tribe well.

In Recognition of National Problem Gambling Awareness Month (March), the Tulalip Gambling Program is hosting a community wide event on Friday March 4th, 2016 6:00-9:00 PM

The event theme is "Celebrating Recovery through Voice, Visibility, and Tradition."

The event will be at the Hibulb Cultural Museum, Keynote speaker, G.A. speakers, Dinner feast, and Traditional Storytelling. Join us in this Free special event.

Women raising children are invited to join our support group

Tuesdays 11am-1pm
Old Tulalip Elementary School
7730 36th Ave NW

All children welcome!

Bellingham Technical College

- Fisheries & Aquatic Sciences
- Heating, Ventilation, Air Conditioning & Refrigeration
- Hypnotherapy
- Phlebotomy
- Radiologic Technology
- Veterinary Technician
- Welding & Fabricating Technology

Submitted by Jeanne Steffener, Higher ED

Bellingham Technical College is a leading educational institution and the only technical college in northwest Washington state. The campus is conveniently located in the heart of Bellingham. BTC offers high-quality education in a supportive, student-first environment.

BTC prepares students for careers in many areas, including high-demand fields such as advanced manufacturing, accounting, process technology, precision machining, registered nursing and Fisheries and Aquaculture sciences.

The school offers 37 associate degree programs and 51 certificate programs for in-demand fields. They offer an array of academic and technical classes which are transferrable to Washington state four-year universities and colleges. The areas of study include:

- Aerospace Technology
- Automotive Collision Repair Technology
- Automotive Technology
- Child Development Associates Essentials
- Computer Networking & Software Support
- Culinary Arts
- Dental Assisting
- Dental Expanded Function
- Dental Auxiliary
- Dental Hygiene
- Diesel Technology
- Early Learning
- Electrician
- Electro-Mechanical Technology
- Emergency Medical Technician
- Engineering Technology: Civil
- Engineering Technology: Electronics
- Engineering Technology: Composites
- Engineering Technology: Geomatics
- Engineering Technology: Mechanical Design

To check out all the details and the full list, go to the website to begin your journey into education@<http://www.btc.edu/DegreesClasses/Programs/indexPrograms.aspx>.

Among the many programs that BTC offers, the Fisheries and Aquaculture Sciences programs are an ideal option for students interested in biology and working in a varied and challenging outdoor environment. Students experience biological studies with state and private agencies. Instruction takes place in the classroom and at the Whatcom Creek Hatchery at Maritime Heritage Park in Bellingham. You will be able to put your education to work in both public and private sectors with employers such as the Washington Dept. of Fish and Wildlife, U.S. Fish and Wildlife Services, and private hatcheries and shellfish farms. The employment outlook for program graduates is very strong and students can expect to earn excellent wages. Students in this program can now have the opportunity to seamlessly transfer to Western Washington University/ Huxley to pursue a bachelor of arts in Environmental Studies or Geography. This transition is assisted by earning BTC's Associates in Applied Science Transfer degree in Fisheries & Aquatic Science.

Even if you are unsure about your career plans, BTC offers many exciting paths of discovery. Please call Higher ED staff at 360-716-4888 or email us at highered@tulaliptribes-nsn.gov for assistance with your educational path.

What We Know about Autism Spectrum Disorder

Contact: Courtney Miller, (425) 353-5656 x7145 or Courtney.Miller@ChildStrive.org

Parents often ask questions about Autism Spectrum Disorder (ASD) which is a complicated developmental disability. Over the past couple of years researchers have continued to learn more and there have been changes in how ASD is diagnosed, as well as better ability to spot early characteristics of autism.

Did you know?

- ASD is 5 times more common in boys than girls
- A child who has a sibling with ASD is also more likely to receive a diagnosis
- The Center for Disease Control estimates 1 in 68 children have ASD
- Children born to older parents have a higher risk of ASD
- Studies have and continue to show that vaccines are NOT associated with ASD
- Reliable diagnosis for ASD can begin as early as 2 years old
- A professional may be able to identify red flags earlier than 2 years old in some children
- Parents of children aged 16-30 months can complete a checklist (called the M-CHAT) online to see if their child shows risk factors for ASD (www.m-chat.org)

If you have a child under 3, and you have concerns about developmental delays, you can arrange a comprehensive developmental evaluation from ChildStrive at no cost.

We encourage parents to gather their own information from reliable sources such as health care professionals and reliable websites. Many parents learn about autism from other parents who have experienced similar concerns. If you have a child with autism, or concerns, you can pass knowledge on to other parents or teachers who are just learning about this developmental disability.

Not sure where to look for more information? Here are a few recommended websites:

- The Center for Disease Control (CDC): <http://www.cdc.gov/ncbddd/autism/facts.html>
- The American Speech and Hearing Association (ASHA): <http://www.asha.org/public/speech/disorders/Autism/>

Birth

River Lee Balch

We're proud to announce our most precious gift, Our Son! River Lee Balch was born November 6, 2015 to proud parents Shalana Zackuse and Jonathan Balch. He weighed 9 pounds and 8 ounces and was 22.5 inches long! Grandparents are Rosetta Williams, Daniel Zackuse Jr., Jeff and Chrystal Balch, and Jennifer Hawkinson-Balch. Great-Grandparents are Sharleen and Billy Fryberg, Gene and Marie Zackuse, and Ginnie and Thomas Hawkinson.

Submitted by Shalana Zackuse

Attention Fishermen

Over the years we at Tulalip Fisheries have confiscated numerous nets, crab and shrimp pots for a variety of Violations. At this time we are petitioning the Tribal Court to have the gear forfeited per Tulalip Tribes Code 8.05.

Persons wishing to claim any gear will have 15 days from the last day this add runs (March 2, 2016) to put in a claim for gear.

ANYONE PUTTING IN A CLAIM FOR GEAR WILL BE REQUIRED TO PROVIDE THE FOLLOWING

- Police Report of when gear was left or lost, area gear was left or lost, and what gear was fishing for.
- Person claiming gear will have to name person fishing gear at time. This will be checked against fishing permits. Upon any violations a citation will be issued.
- Proof of Ownership, including bill of sale, invoice, etc.
- Will be required to appear for any Court Hearing (s) for the gear you are claiming.
- May receive a Citation in all cases that gear was in violation of Tulalip Tribal Code 8.05 fines will be given for every violation to include fishing in closed waters \$500.00 fine, unattended set net \$25.00 fine, improperly marked gear \$50.00 and any other violations that apply. In cases involving crab or shrimp pots citations may be issued for not having rot cord and not being marked with Tulalip Tribes Crab Pot tags

Listed below are the confiscated items:

- Approximately 175 commercial crab pots in various conditions ranging from derelict gear in poor condition to gear in fair condition.
- Approximately 12 shrimp pots in various conditions.
- Approximately 35 nets ranging from approximately 10ft to 600ft with various types of Corklines, Leadlines, Webbing, etc. The condition of these nets range from poor condition to fair condition.
- several fishing poles

If you believe some of this gear is yours contact one of the Fish and Wildlife staff at the Tulalip Marina.

Upon Forfeiture of any Confiscated gear by the Tulalip Tribal Court, the Tulalip Fisheries Executive Director will set an Auction date for all Forfeited items.

Attention Tribal Hunters

Please turn in your hunting tags at the Tulalip Administration building by **February 29th, 2016**. People that have not returned their tags by the above deadline may not receive tags for the upcoming 2016-2017 hunting season & will not be able to enter in the 418 special elk drawing.

If you cannot make it during this time please call Amanda Shelton and will make a date that is convenient for you. You may also mail them in using the address given below or come into the Tulalip Administration Building and drop them off in the hunting tag drop box by the first CSR desk.
