Tulalip Tribes Vision

We gathered at Tulalip are one people.
We govern ourselves.
We will arrive at a time when each and every person has become most capable.
Together we create a healthy and culturally vibrant community

Tulalip Tribes Mission

We make available training, teaching and advice, both spiritual and practical.

Tulalip Tribes Values

1. We respect the community of our elders past and present, and pay attention to their good words.
2. We uphold and follow the teachings that come from our ancestors.
3. It is valued work to uphold and serve our people.
4. We work hard and always do our best.
5. We show respect to every individual.
6. We strengthen our people so that they may walk a good walk.
7. We do not gossip, we speak the truth.

Tulalip Tribes 1-800-869-8287

Celebrating our youngest learners

Alley-Oop and his sunshine band of toddlers.

Article/photos by Micheal Rios

During the week of April 11-15, the Betty J. Taylor Early Learning Academy (TELA) celebrated the Week of the Young Child. The week was devoted to shining a light on the importance of early childhood development.

"All young children need and deserve high-quality early learning experiences that will prepare them for life, and Tulalip has a great opportunity to do our part to help young children," stated Melinda Contrero, Professional Development Manager at TELA. "Week of the Young Child is a time for Tulalip to recognize that early years are learning years for all young children."

Week of the Young Child is an annual celebration sponsored by the National Association for the Education of Young Children. Intended to celebrate early learning, young children, their teachers and families, the weeklong event is the perfect opportunity for early childhood programs to hold activities that bring awareness to the needs of young children.

Young children and their families depend on high-quality education and care, which help children get a great start and bring lasting benefits to Tulalip. Week of the Young Child is a time to recognize the importance of early learning and early literacy, and to celebrate the teachers and policies that bring early childhood education to young children.

“We will share some activities with our families and provide take home ideas for them to do with their children,” continued Melinda. “TELA has nearly 100 early childhood professionals working together to improve professional practice and working conditions in early childhood education, and to build public support for high-quality early childhood education programs.”

The week of fun and family friendly activities kicked off on Monday, April 11, with Music Monday. The reception area was transformed into a musical platform for Alley-Oop and his sunshine band of toddlers.

- **Music Monday:** sing, dance, celebrate and learn. Through music, children develop math, language, and literacy skills all while having fun and being active.
- **Taco Tuesday:** healthy eating and fitness at school. This fun, food-themed day is about more than just cheese and salsa. Cooking together connects math with literacy skills, science, and more. With the rise of childhood obesity, you can encourage healthy nutrition and fitness habits in the classroom by creating your own healthy tacos.
- **Work Together Wednesday:** work together, build together, and learn together. When children build together they explore math and science concepts and develop their social and early literacy skills. Children can use any building material – from a fort of branches on the playground to a block city in the classroom.
- **Artsy Thursday:** think, problem solve, create. Children develop creativity, social skills and fine motor skills with open-ended art projects where they can make choices, use their imaginations, and create with their hands. On Artsy Thursday celebrate the joy and learning children experience when engaged in creative art making.
- **Family Friday:** sharing family stories. Engaging and celebrating families is at the heart of supporting our youngest learners. We applaud family members’ role as young children’s first and most important teachers.

Spring Break fun continues

Article/photos by Micheal Rios

Every student hopes to have a fun and cool Spring Break. One where they can make memories and tell stories to their classmates when school resumes. Fortunately, in Tulalip we have our Youth Services Department and Boys & Girls Club to depend on at times like this.

This year, the staff of Youth Services planned out a week of new experiences, fun-filled activities, and overall good times for Tulalip youth to connect over during their Spring Break. Meanwhile the Boys & Girls Club also planned out a week of activities based on past events that the

children thoroughly enjoyed.

In the last See-Yaht-Sub issue we shared pictures of the youth at Elevated Sportz in Bothell and Doodlebug Sportz Paintball located in north Everett. This issue we are sharing some photos from the serene outdoor hike Youth Services made possible for 55 youth on Thursday, April 7.

The location was Boulder River Wilderness Trail located on the outskirts of the Mt. Baker-Snoqualmie National Forest. The youth and their chaperones hiked along the Boulder River enjoying the gentle grade terrain and views of the waterfalls crushing into the river from the steep

banks opposite the trail. At 8.6 miles, roundtrip, it's a relatively easy hike that allowed for the youth to enjoy being outside in the mid-70 degree weather.

While the older kids were hiking at Boulder River, the 200 or so younger kids of the Boys & Girls Club had been bussed to Marysville's Skate Inn and took over the rink. Along with countless loops around the skating rink, the kids also played limbo, danced to the Cha-Cha Slide and Cupid Shuffle, and held their own Karaoke session.

Returning phone calls

This is a letter addressed to a handful of employees who work for the Tribes - specifically employees who do not, for whatever reason, return customers phone calls.

My late, deceased husband, Jim Nolen, and myself ran our own successful land surveying company for 24 years in Texas. Our company depended on our "excellent customer service" to make a profit! Most of our business came through the phones. So, answering the phones first of all in person was of the utmost importance. If the phone was not answered in person,

it became important that the answering machine picked up the message and that then the phone call was returned within the next 24 hours!

Tribal employees are in a "customer service business" serving our people. Returning our phone calls in a polite and timely fashion shows us, your customers, that we are respected and valued!

Thank you for reading this note and thank you to those of you that do return our phone calls in a pleasant and timely fashion. You are appreciated!

Respectfully,
Pauline Nolen Williams, Tribal Elder

DO YOU NEED HELP GETTING YOUR DRIVERS LICENSE BACK?

Apply to attend a free legal clinic on restoring your drivers license. Free legal consultation will be provided by the Northwest Justice Project to eligible tribal members or other low income individuals on driver licensing matters.

A Legal Advocate will review your Department of Licensing record and court records for your tickets before the clinic.

Then you will learn how to restore your drivers license.

The next clinic will be held June 9th from 1:30-4:30; you must complete an application and be accepted by this clinic. You can pick up your application and return it to the Tulalip TERO Office; we will be setting up appointment times for each individual.
